## TELESCOPE LENDING POLICY

Board motion number: 26:16 22 March 2016 Chair's signature: \_\_\_\_\_

The Bonnechere Union Public Library makes the telescope available to library card holders to borrow and is provided according to availability.

The following rules and regulations apply:

1. Telescopes may be borrowed by library card holders in good standing (i.e., no fines outstanding) over the age of 18. If the telescope is to leave the building overnight,
  - photo identification in addition to a library card will be required
  - for borrowers between the ages of 14 and 18, a co-signature of a parent or guardian will be required.
  - Borrowers must agree to read the written operating instructions or view the operating video..
  - Borrowers agree to a short session with an Astro All Star volunteer or library staff to learn proper care and use of the telescope.
2. The loan period is 48 hours for home use.
3. Extended loans may be permitted by the CEO/librarian.
4. Telescopes may be reserved up to one week in advance. If not reserved, the telescope may be lent on a first-come first-served basis.
5. Very limited technical support is available through the Information Desk in-person only during the library's open hours. Users attest that they have basic familiarity and comfort with using the telescope.
6. Renewals may not be reserved in advance and must be made in person.
7. Telescopes must be returned in person. Borrowers are requested to wait until the telescope is checked and the sign out sheet returned with the signature of the staff person on duty at the circulation desk.
8. The borrower assumes full responsibility for the cost of repair or replacement in the event that the telescope is lost, stolen, or damaged. In the event that there is a co-signer for users between 14 and 18, the co-signer accepts the same level of responsibility as the user.
