ACCESSIBILITY POLICY

Board motion number: 29-19 Chair's signature: J. Stawie

The *Accessibility for Ontarians with Disabilities Act (AODA) 2005* imposes a legal duty on organizations to achieve accessibility. The *Act* lays the framework for the development of province wide regulations on accessibility, which, at present, are the *Ontario regulation 429/07 Accessibility Standards for Customer Service* and *Ontario Regulation Integrated Accessibility Standards*. The Bonnechere Union Public Library meets the obligations set out in the *Act* and the accompanying regulations, in Partnership with Bonnechere Valley and North Algona Wilberforce Townships.

Statement of Organizational Commitment to meet accessibility needs of persons with disabilities.

Bonnechere Union Public Library is committed to the independence and integration of persons with disabilities and all who live, work, play, and invest in our community.

The Bonnechere Union Public Library establishes practices and procedures that respect the dignity and independence of persons with disabilities. All people benefit from involvement with, and services from, the library.

Responsibilities

For the purposes of AODA, the library provides services on behalf of the townships, and therefore, is considered along with the townships, to be a "small designated public sector organization with fewer than 50 employees" as defined within the regulations. The library complies with the obligations of this sector as set out in the AODA regulations.

The board ensures that the library complies with the spirit, principles, and intent of AODA and designated the Chief Executive Officer (CEO) as the individual accountable for the organization's compliance with the legislation.

The CEO will ensure that the policies and procedures comply with the AODA and any regulations made under the AODA.

The library will follow the township's multi-year accessibility plan which will outline the library's strategy to prevent and remove barriers.
